President's Message

Steve Maier

Gratefulness

As the school year winds down and the weather finally begins to warm and dry out, I'm reminded again how grateful I am to be part of St. John's. This is a wonderful congregation, and I want to take a moment to update you on what your Church Council has been working on behind the scenes.

Call Process

At the forefront of our work is the call process. There is an excellent article in this newsletter that walks through the entire process in detail, and I encourage everyone to read it. This is an important season for our congregation, and staying informed helps us walk together with unity and purpose.

Constitution & Policy Restructuring

We have also been reviewing and updating our constitution and policies so that they accurately reflect how our congregation actually functions.This has been a significant undertaking. We've examined what happens daily, weekly, monthly, quarterly, and yearly; clarified the roles and responsibilities of our staff; and discussed how we can best support one another in times of need.

A major goal of this work is to ensure that our ministries remain healthy and sustainable. We want to care for the people who volunteer so faithfully and prevent burnout, while also creating opportunities for more members to share their gifts.

Exploring a Dual-Parish Model

Another topic we've been prayerfully considering is the possibility of a dual-parish arrangement—one pastor serving two congregations. There are still many details we are learning, and we want to approach this thoughtfully and responsibly. To that end, we will be speaking with a pastor in our district who has been serving two Lutheran congregations for over a year. Hearing firsthand about the blessings, challenges, and practical realities will help us provide clear answers and discern where God may be leading us.

Summer Events & Growing Connections

With summer approaching, we're excited for more opportunities to gather, like the upcoming baseball game and our church picnic, with additional events being planned. As we've begun conversations with Risen Christ and other local Lutheran congregations, I've asked them to share their event calendars with us as well. This allows us to pass along opportunities for fellowship, service, and worship beyond our own walls.

Partnership

One of the strengths of successful dual-parish partnerships is a history of congregations working together. Some events we host well; others may be better suited for our neighboring churches. Sharing in these activities helps us build relationships, learn from one another, and grow together as the body of Christ. May blessings abound for you and your family during this spring & early summer!

Call Committee

David Heckman

Greetings. I am just providing a quick update on the status of the call process as many members of the St. John's family may be wondering what has been happening.

We initially received a call list from the Eastern District and identified 4 potential pastoral candidates. Of the four identified, one was not willing to accept a call, one never responded to our requests for an interview and two were interviewed. Unfortunately, one of the candidates interviewed accepted a call to another parish and the other was not really interested in leaving his current parish.

At about the same time, Risen Christ in Perinton, who is also in the call process, reached out to us about possibly forming a dual parish and sharing a pastor. We interviewed a candidate they were interested in but felt he was not a good fit for our congregation. Following that interview, we met with Reverend Pingel, our Eastern District president, regarding the call process and dual parishes. We were looking to receive another call list, but he asked us to further investigate the dual parish concept with Risen Christ before another call list would be issued. St John's Council and Call Committee had a follow-up meeting with Risen Christ, and we have also asked those attending services at St John's for their thoughts on a dual parish. We appreciate everyone's input and following prayerful consideration, the St John's Council has decided that currently, a dual parish is not the best option for us. We will be continuing our search as a sole parish and are reaching out to the Eastern District for an additional call list. We pray that this new call list will reveal God's plan for St John's.

Thank you to everyone who has helped with this process and has worked so hard over the past several months to keep St John's strong. We are truly blessed as a congregation.

Board for Worship, Music and the Arts

Linda Braun

Thank you to everyone who assisted in our Worship Services. Special thank you to Luann for ensuring our altar always looks beautiful and reflects our liturgical seasons. Thank you to Jen Barnes for hanging our banners.

I give thanks to all of those who helped to make our Holy Week services so special. From Palm Sunday – ordering palms and Easter Flowers and setting them up. Preparing music, hanging banners, setting up our altar and Holy Communion, collecting and counting offerings. We were glad to be served by Pastor Muller.

This was our first year of running our Seder Dinner through only members. Thank you to Steve Maier for leading it. Thank you to Jen Barnes for baking the lamb. Thank you to all who helped make it happen…set up – celery, applesauce, eggs, matza, wine, clean-up and tear down. Wow! What a wonderful congregation!

Shaping Our Future Together

Howie Barnes

A New Vision for Our Leadership

Following our voters' meeting this past fall, we've embarked on an inspiring journey to align our governing documents with the vibrant, everyday life of our church. Our heart's desire is to create a structure that clearly defines our leadership roles while opening new doors for every member to share their gifts and get involved.

Building on a Strong Foundation

Over the course of two full-day retreats and many heartfelt conversations, we have reflected deeply on who we are and what we can sustainably achieve together. We are excited to share that we now have a conceptual framework for our future. By selecting the most effective elements from various leadership models, we've designed a path specifically tailored to foster our church's growth and spiritual health.

A Streamlined Leadership Path

To help us move forward with greater unity and purpose, we are proposing a few key transitions:

- **A Unified Council:** The Church Council and the Board of Trustees will transition into a single, cohesive entity.
- **Continued Traditions:** Our President, Vice President, and Elders will continue to be elected just as they are today, ensuring continuity and trust.
- **Four Core Departments:** To better organize our work, other elected offices and boards will be reorganized into four specialized departments.
- **Elder Representation:** Our Elders will elect a chair from among themselves to serve as a vital voice on the Church Council.

Empowering Participation

Each of the four departments will be led by a director, elected by the voters. These Directors will sit on the Council and will be empowered to build teams of **Coordinators**. This is where our vision for involvement truly shines—Coordinators can be appointed to lead specific events, complete essential tasks, or manage church processes, allowing more people to serve in ways that match their unique talents.

Walking in Harmony

One of the most significant shifts involves our Pastor taking on the role of coordinating and managing these directors. This change ensures that every aspect of our church operations sings in harmony, working toward the same mission. It also frees the Council to focus its energy on high-level governance and the long-term strategic vision of our congregation.

The Road Ahead

While the framework is set, there is still plenty of thoughtful work to do as we assign specific responsibilities and draft the formal amendments. We look forward to presenting the final amendments at our upcoming voters' meeting, with the goal of beginning the new year under these refreshed policies.

We are so grateful for your prayers and partnership as we build a more connected and effective church for tomorrow!

Encouragement in Prayer May/June 2026

Martha Barmaster

Last month we talked about running the race. The Bible clearly gave us guidelines on how to run our race. Easter Sunday last month was a beautiful Worship experience! Jesus declared from the Cross "It is finished!" And then He died. Let us talk about that.
Here are a few points to remember as we move through these 7 weeks of Easter.

1. God always finishes what He starts. Genesis 2:1- In Creation "Then the heavens and the earth and all the host of them **were finished**". Joshua 4:10-God parted the waters of the Jordan River so the Israelites crossed into Canaan on dry ground. "So, the priests who bore the ark stood in the midst of the Jordan until everything **was finished**."
2. Jesus always finishes what He starts. Matthew 13:53" Now it came to pass, when Jesus **had finished** these parables, that He departed from there."(by the sea) Matthew 19:1 "Now it came to pass, when Jesus **had finished** these sayings, that He departed from Galilee and came to the region of Judea beyond the Jordan." Matthew 26:1 "Now it came to pass, when Jesus **had finished** all these sayings, that He said to His disciples…" John 17:4 "(Jesus said) "I have glorified You (His Father) on earth**. I have finished** the work which You have given Me to do."
3. Jesus finished His Race on earth. John 19:30(on the Cross) "So when Jesus had received the sour wine, He said**, It is finished!** And bowing His head, He gave up His Spirit."
4. St. Paul finished his race on earth. St. Paul, who said he was the chiefess of sinners(1 Timothy 1:15), wrote in 2 Timothy 4:7" I have fought the fight, I **have finished** the race, I have kept the faith!"
5. Jesus is the author and finisher our faith. Hebrew 12:2 "looking unto Jeus, the author **and finisher** of our faith, who for the joy that was set before Him endured the Cross, despising the shame, and has sat down at the right hand of the throne of God."
6. Jesus promises He will **help us finish** our own races. Philippians 1:6 "being confident of this very thing, that He who has begun a good work in you will complete **(finish)** it until the day of Jesus Christ."

So, in summary, no matter how young(or how old you are) God will help you! Jesus will help you **finish your race.** Keep on, keeping on! Amen!

-Pentecost, the coming of the Holy Spirit-
The story of Pentecost, the coming of the Holy Spirit, is found in Acts 2. Let's talk about it!

The Holy Spirit is our Comforter and will guide us in all truth. In Acts 2:4 “And they were all filled with the Holy Spirit…” What does that mean, “they were filled with the Holy Spirit?” Let’s look at some basics first. There is God the Father, God the Son, and God the Holy Spirit. Three parts, but One God. Each is a separate person, but One , called the Trinity.

Paul wrote in Ephesians 1:13.” You were sealed with the Holy Spirit of Promise. “When we believe in Christ for our salvation, God puts His seal, His stamp of approval, on all of us” A seal speaks of authority, a sign of ownership, proof that we belong to God and are His children. John 4:16 (Jesus said) “I will pray to the Father, and He will give you another Helper, that He may abide with you, forever.” John 14:18 (Jeus said) “I will not leave you orphans, I will come to you!” And He did, in the Holy Spirit!

In Acts 2:4 “they were filled with the Holy Spirit.” Since Pentecost, 1 Corinthians 12:13 says “by one Spirit… we were all baptized into one body”. The body of Christ.

At Bethlehem we see Emmanual, God with us! At Calvary, we see God’s Son Jesus, for us! And at Pentecost, we see God the Holy Spirit, in us!

We have the Holy Spirit in us to lead and to guide us through everything life brings our way and gives us discernment to handle it all!

In Ephesians 5:18, we are commanded “to be filled with the Spirit.” So, let’s all lean on the Holy Spirit in our lives, trusting Him to comfort, guide and direct us individually as well as corporately as a church. Amen!

Pre School News

Cheryl Power

I cannot believe we’re in our last month of school at the time I submit this article!
This year has flown by… we’ve had a wonderful group of students! The support that we received from our preschool parents has been amazing. Thank you. I’d also like to take this opportunity to thank our teachers Mrs. O and Mrs. Hilton. It has been a pleasure watching them teach the love of Jesus with their kind, loving approach. Our students have grown in so many ways! We’d also like to take this opportunity to thank our congregation for their continued support and also thank all of those who donated Thrivent dollars to preschool. These donations have helped in countless ways!
This month the 3’s prepared for their Mother’s Day tea, which was held on May 7, worked on their Father’s Day card and also worked hard in preparing for their end of year ceremony (21st).
Our 4’s are talking about bugs (we hope to let our butterflies go this week-weather permitting), working on Mother’s Day gifts, had a teddy bear picnic, beach day, worked on Father’s Day surprises, went on a field trip to the fire hall and also a Victor school bus came and taught bus safety for our students. All while also reviewing letters, shapes, numbers and preparing for their end of year ceremony(22nd). A crazy month!!!
We plan to work the first week or two of June to prepare materials and lesson plans for next year’s classes.
There is 1 opening left in our 3’s class for fall classes. There are 5 openings in our 4’s. Please feel free to contact me with any questions or concerns at any time. Thank you!
Sincerely,
Cheryl Power Director, St John’s Christian Preschool, 585-315-1819
